The theme of the 2016 Convention is a sermon on its own. Never preach anywhere before, being released by God's servant in EL Tabernacle. Since June 2016 the Apostle is preaching on The Brain - the Mind. For the past six months EL Tabernacle was blitized, awestruck, mesmerized, stunned and flabbergasted by the Apostle, his sons and the other preachers in EL Tabernacle with the ONE aspect only of the Complete Headship, namely The Brain - The Mind. What an inspiration. No wonder the expectation is high for the upcoming convention. The Mind of Christ in you, a Holy Ghost Outpouring like never before, that's what's anticipated.

Over two thousand (2000) believers are expected to attend. They've packed out 2000 chairs inclusive of the choir, elders and ministers, to be precise. It's full capacity. The overflow ... well the deacons and trustees will sort that one out. Over two thousand convention-goers are expected anyhow. By 16:00 on Friday 23 December 1 700 confirmed and more numbers were coming in. One thousand three hundred (1 300) confirmed eating at the convention, while nine hundred and fifty (950) people booked their accommodation at the convention site. These numbers were supplied and confirmed by Br Rene Damon the leading organiser and right-hand man to the Apostle during conventions and Br 'Oils' Oliphant the head deacon in Johannesburg during an interview Friday afternoon. They expect a very busy evening as people will be arriving from all over. They work hand-in-hand with the trustees to ensure everything runs smoothly, especially the allocation of accommodation and catering.

### ***A National, EL Tabernacle Convention.***

This is a “lekker local” EL Tabernacle Convention. The believers are all EL Tabernacle believers. The 2000 saints scattered all over South Africa is EL TABERNACLE, Apostle Edgar Hill Roscoe’s sheep.

***[We are all waiting in great anticipation when he steps onto the platform. The Holy Ghost Roar, Thunder and Reverberation that will follow ..... You can only experience this in EL Tabernacle]***

The ministers at the Convention are all EL Tabernacle (Holy Ghost) ministers from across South Africa. No invitations were sent out. No one was officially invited. The believers are from EL Tabernacle in all nine provinces in South Africa. Amazing. God work in mysterious ways His wonders to perform. My, my, my, did this church grow! It keeps on expanding ..... We use to say: EL Tabernacle Johannesburg;

Maybe it is more correct to say: ***EL TABERNACLE, SOUTH AFRICA!!!!***

The EL Tabernacle saints are coming from the four corners of the country; the following towns and cities in NINE Provinces are represented to name a few:

Western Cape: Cape Town, Hermanus, Grabouw, Vredendal

Eastern Cape: Mthatha, Aberdeen

Northern Cape: Upington, Richmond, De Aar

Free State: Bloemfontein, Qwa-Qwa, Villiers, Frankfort, Koppies, Lindley, Kroonstad, Sasolburg

KZN: The greater Durban area

North West: Klerksdorp, Potchefstroom, Mabieskraal, Hebron, Mabopane, Soshanguve, Jericho

Limpopo: Venda area, Polokwane

Mpumalanga: Middelburg, Secunda

Gauteng: Greater Pretoria area including, Atteridgeville, Mamelodi, Eersterust, Centurion

Greater Johannesburg area including East Rand up to Springs, West Rand up to Randfontein,

Midrand in the north and the greater Vaal area in the south.

There are also saints from EL Tabernacle – Swaziland and Botswana must still confirm.

The following images were captured Friday afternoon at the Convention Centre in Walkerville. The air was filled with excitement, expectation and anticipation.

*Brothers testing the sound and making sure the auditorium’s sound is up to standard.*

*The Holy Ghost will shake the place and the sound system must be able to take the shaking. The minister must be above the congregation for the Holy Ghost to move.*

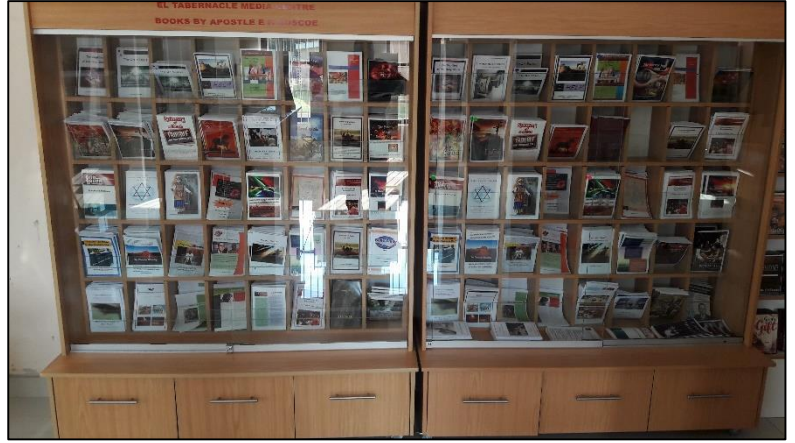

*A sister packing out some sermons, making sure there is enough stock. This shelf stocks the latest sermons on the Mind. Old and new sermons are available in the media centre. Some of the old sermons of the Apostle has been converted from the video tapes to DVD. 30 Audio + 6 DVD sermons are available on USB memory stick.*

*Over fifty books that the Apostle wrote available at the media centre. Titles available include March to the Blood, Daniels Seventy Weeks, Sense to the Message, Splitting a Church, Don't Preach against Pentecost, Help, to name a few.*

*Br Oils (left) and Bro Rene on Friday afternoon project managing from under the Lapa. Bro Rene's laptop contains all the information of the convention and can deal with any enquiry by just pressing a button. He is doing it paperless this year. Mooi so Boeta! Br Oils is eager to learn from the old grand master.*

*Pastor Bruce Hurst, EL Tabernacle – Bloemfontein. The Fountain in Bloemfontein. (That is a prophecy brothers!) My congregation is here so that they can believe more in the Apostle. He is the Man of the Hour. He is the Man that will see them through. Personally: I want more of God. I want to ASSOCIATE myself with the Apostle. I want to show the world on whose side I am, the Apostle's side. Pastor Bruce quoted Amos 3:3 .... How can two walk together unless they agree?*

*From left to right: Brothers Byron Bosman, Daniel Adonis, Ricardo Rodwell and Henzo Abrahams Sisters, these Hermanus brothers are not here to hunt. Look at their comments:*

*Ricardo: I am here for a Spiritual visitation, a refilling of the Baptism of the Holy Ghost!*

*Daniel: I came to receive a life changing experience!*

*Henzo: I came to see God in the Flesh!*

*I can assure all these brothers they will not leave this convention being disappointed. You'll get what you expect!*

*Bro Arnold Baartman from Hermanus.*

*I came to the convention to hear what the Apostle have to say about the End Time!*

*Bro Shawn Cassim (left) and Conrad Alexander, both Johannesburg trustees busy sorting out the sleeping arrangements in the hostel.*

All the way from Hermanus. These brothers were enjoying the tranquillity at the convention centre when I bumped into them. “We came with an expectation, Vir ‘n Deurbraak” they exclaimed. (They came for a break-through in the Spirit).

Afrikaans, just a way of saying things.

How do you translate what the Apostle once said in Afrikaans: ***“Ek is ‘n lekker Pinkster Boesman!”***

*A group of young people from Bloemfontein. The “Fontein” in Bloemfontein is unstoppable and cleared (prophesied by the Apostle and his two sons in 2012) and the Holy Ghost Water is flowing and the church in Heidedal is growing.*

Interesting to note all the young people. EL Tabernacle will continue and live on for another generation, if the Lord tarries.

*Some of the believers relaxing in the cool tranquil atmosphere that prevailed late Friday afternoon before the evening service.*

*Pastor Bruce and his family relaxing under the lapa before the evening service.*

*Sisters from Hermanus ready for the start of the convention, the evening service at 19:00. This photo was taken at 17:45. They are fulfilling a quote namely: They can't wait for the doors of the church to open!*

**God Bless You!!!**
