

CONVENTION 2016

25 December 2016

EL TABERNACLE CONVENTION CENTRE

Christmas in El Tabernacle

Wow! What a Christmas day. God coming down in the Pillar of Fire to vindicate his Generals, not being ashamed to have His picture taken with them. A Phenomena at the greatest convention held in 2016 in the message. Over two thousand people attended.

The Pillar of Fire was visible with Past Jonathan at the pulpit when he came up after the minister preached. Other photos taken show the host of Angels also visiting EL Tabernacle on Christmas day. It did not end there.

The evening service couple of hours apart, the Apostle, Edgar Hill Roscoe, came up after the Pastor Bruce from EL Tabernacle Bloemfontein and The Holy Ghost came down for a second time on the same day to vindicate his servant for the umpteenth time.

A powerful message was delivered by Past Joshua Pillay of EL Tabernacle Durban entitled "Give me the Spirit of Jonathan." It is thus not surprising that God came down to back-up what his servant preached appearing in the Pillar of Fire when this Jonathan stepped into the pulpit.

Heaven's Glory dropped down, the 6th Dimension dropped down at God's provided place of worship. This is the place the patriarchs were looking for. Job said: "If only I knew where God dwells I will go and knock on His door". Job we found the place.

Christmas is for the wise and the scientist. Christmas is for the poor, shepherds. Christmas is for the Spiritual like Simeon. Your eyes have seen the Deliverer – the Holy Ghost!

With these manifestations God is clearly showing EL Tabernacle something. He is showing South Africa something. He is showing the Bride worldwide something. Elohim is showing the world what has been happening in EL Tabernacle since 1979 with the Holy Ghost in our midst. Edgar Hill Roscoe walks with the Pillar of Fire and release it where ever he goes. How can you still doubt it?
